MESSAGE

FROM THE MANAGING DIRECTOR'S DESK

Dear Business Associate,

Here's our reach:

Bengaluru, India
January 2020

And here's our U.S.P : "Complete Franchisee Cum Marketing Solution."

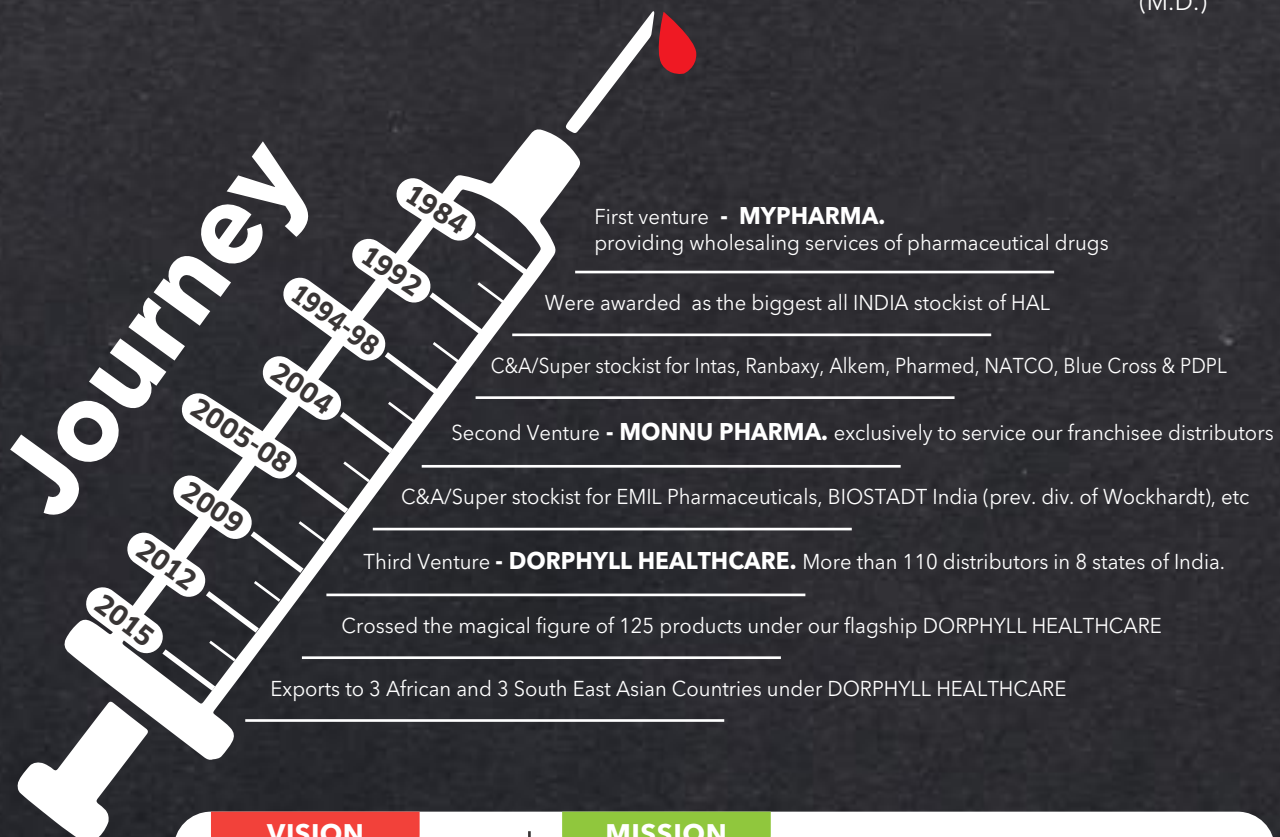

Now let me share an interesting fact with you:

All our distributors – big and small – have been with us since they started. In other words, we have not lost any distributor... NOT EVEN ONE!!!

It's not just the level of trust and ease of business with us, but distributors choose us again (and again!) for:

- **Quality** – No product is released into the market without a COA (Certificate of Analysis)
- **Service** – The best service vis-à-vis our competitors
- **Affordability** – Priced considerably lesser than the Multinational Brands

Madhav Kumar
(M.D.)

The products - 'DORFEN' gel and 'ACEDOR-TH' tablet have given me relief from my problem of RSI, which has been troubling me for 15 years. Thank you and keep up the good work!
